The *only* school district in KY to be a District of Distinction for three consecutive years.

It's All About Kids. We're happy to showcase some highlights of the 2016-2017 school year with you in our 2017 Floyd County Schools. The portraits and snapshots give you a glimpse of our KIDS, our schools and our programs. We hope you enjoy looking through these pages that remind us that KIDS are what it's all about.

While yearbooks are about great times from the past and those are important, it's also important to look ahead. Here's what we see:

* Getting better for KIDS by becoming a district of excellence and striving to give our KIDS a world class education. In 2016 Floyd County Schools was #6 in the STATE! We've set a new goal to become a Top 5 Kentucky School District. For 2016 Floyd County Schools is once again a District of Distinction with 18 Distinguished/Proficient schools.

  Schools of Distinction: AMS, ACMS, AES (K-5 & 6-8), BLES (K-5 & 6-8), DES, JMS (K-5), MVES, OES, PES, and SF (6-8)
  Distinguished Schools: BLHS, JMS (6-8), and MES
  Proficient Schools: ACHS, PHS and SF (9-12)

* Ensuring our KIDS are ready for the 21st Century by implementing Year 3 of our Digital Conversion initiative. This plan will, over a four year period, provide all students in grades 5 through 12 a personal technology device for use at school and home so that student needs are met through blended learning.

* Ensuring our KIDS leave our school system ready for the next level by having the HIGHEST EVER DISTRICT ACT, attendance, graduation rate and College and Career Readiness rate.

* Becoming a district of excellence and striving to have the best facilities possible for our KIDS is a pursuit of ours so we're happy to see our new high school, a new alternative school and a new gymnasium opening in 2017.

While you enjoy our KIDS on these pages, we hope you'll also be inspired to support us in the future. As always, we appreciate you trusting us with the safety and educational development of your children.

Christmas Through the Eyes of a Child

Christmas Through the Eyes of a Child is a community partnership program with WMDJ 100.1 FM radio and McDonald's.

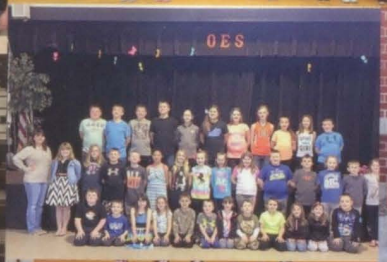

Every K-12 student is invited to participate. Students submit writing entries and school winners are narrowed to 12 district winners. Each day in December a school and the student winners from that school are featured on the WMDJ.

Young Authors

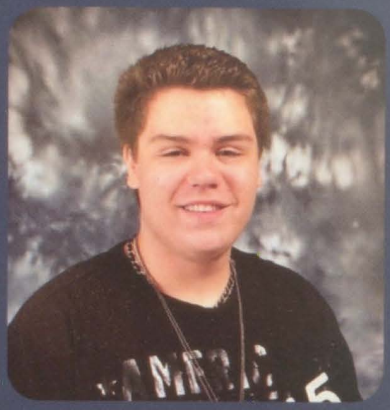

YOUNG AUTHORS' is a K-8 writing program that allows students to express themselves in writing and/or artistically using technology and art.

Students' work goes through the stages of the writing process; the judging experience and the author experience of recognition. The Ebooks category allows students to produce a digital book that can be read electronically. In addition, Early Childhood (Pre-K) students may enter a class book.

Each year, the school district recognizes county and district winners and celebrates their successes.

A good foundation. School spirit was high and apathy was low.

The teachers and experiences gave me the courage to be who I am today.

A place that will be sorely missed by all who experienced it.

Where I knew my kids were safe. They were learning and having fun.

What is McDowell School?

Knowing you're part of a family that will go on forever.

Where lifelong friendships were made.

A building...a group of buildings? Principals? Teachers? Students? Of course, these are all part of the whole, but buildings become old and are replaced by new ones...teachers and principals move on or retire, and others take their place...students graduate and another group moves up...so obviously, McDowell is not just one thing, but the essence of many things. If we take the following: buildings, which are of assorted sizes and conditions; teachers, who have loved and guided; students who will remember with laughter and tears; and rich traditions, which span many wonderful years, then we might have what McDowell means...loving memories that will always live in the minds and hearts of all the people who have passed through the halls of this grand old place.

Mrs. Sally Miller

A feeling of family and togetherness.

A second family.

It was a honor.

History, legacy, friends, family.

Memories that will never fade.

Awesome!

Pride and family.

Family, home, friends, tradition, safety.

Being part of a wonderful family.

The true meaning of Daredevil is family.

Having a happy home away from home.

One big happy family.

Some of the best years of my life.

People watching out for each other, knowing everyone by name, a camaraderie unlike any other.

Home. School pride, Excellence. Family, friends, and love.

Understated, simplistic beauty of small town life, love, and friendship.

A place where school spirit was found on and off the court.

Home. No matter how long between my visits, it always feels like home.

Amazing spirit and determination in sports and education.

SOUTH FLOYD HIGH SCHOOL
1993 - 2017

"South Floyd is a place that my feet may have to leave, but my heart will always stay. South Floyd is my HOME." B. Akers

"To All My South Floyd Family: Someday you'll see the reason why, there's good in goodbye." J. Hall

"No matter where I go, who I meet, what I learn, the friends, the memories, the lessons that came from SFHS will surpass all things to come and leave me with something to look back on and smile." B. Hall

"Only one word can adequately sum up my feelings about South Floyd - Incredulous." M. Slone

Nestled among the hills of Hi Hat, Kentucky, you will find a building with the name of South Floyd School. While the outside of the building is composed of cold, hard stone, the inside is filled with warm, soft hearts. When you walk in the doors of South Floyd, you become a member of our family and of our community. Our administrators, teachers, and staff genuinely care about each individual in this building.

We are strong.
We are FAMILY.

Every Ending Has a New Beginning

All good things must come to an end, but I wouldn't have wanted it to end any other way or with any other people

I cannot say goodbye to those whom I have grown to love, for the memories we have made will last a lifetime, and will never know a goodbye

Forever in our hearts....

Cassandra Akers
Principal
BLHS

On February 28, Cassandra Akers retired after over 28 years as an educator. She was a principal, teacher, coach and an advocate for ALL children. In fact, she wanted this yearbook space to be used for students but we simply had to say THANKS.....

Thanks for showing us a consistently high level of dignity and respect,
For being a principal who is a PAL to everyone.
For always being one of the first to arrive and the last to leave.
For being a mentor, coach and friend.
For always being honest, blunt and putting others before yourself when needed.

Thanks for being a principal who stood in the halls and talked with students but made everyone go to class, get an education and do what needed to be done.

Thanks for letting us be a part of your family, for being a part of our family, and for giving us a large portion of your life.

Thanks for loving The Hill like a second home and showing faculty, staff and students how amazing it is to be a BOBCAT!!!

Thanks for being a HUGE reason that we are all #BobcatProud!!!!

Thanks for caring so much for this school that we can see your presence in the hallways, the gym, the cafeteria and in the heart and soul of every student, teacher and staff member who know you!

Thanks for just being you!!!!

Love always,

Your Bobcat Family

"You started on this journey so many years ago, and now it's time to leave your work behind. You sought divine direction and a heart to do his will. Your work became your passion, as you used your gifts and skills. You set the highest standards for yourself and others too, showing honor, pride, dignity, they saw the best in you! So don't waste one more minute "wishing" for things that might have been, rather watch the seeds you've planted grow, and feel his peace within. In the quiet of your heart, may you hear God softly say, "My good and faithful servant, I'm so proud of you this day!"

-Barbara D. MacAdam

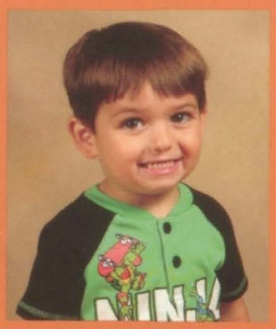

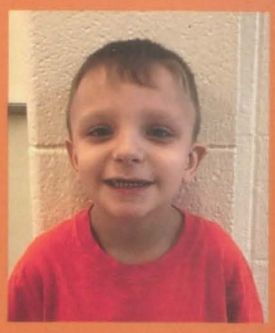

The faculty and staff of Duff Elementary would like to congratulate Belinda Martin on her retirement. Thank you for all of your love, compassion, kindness, and service to our school. You will be missed dearly and we hope your retirement is another amazing chapter in your life!!

South Floyd Middle 21st Century
Megan Hyden- Coordinator

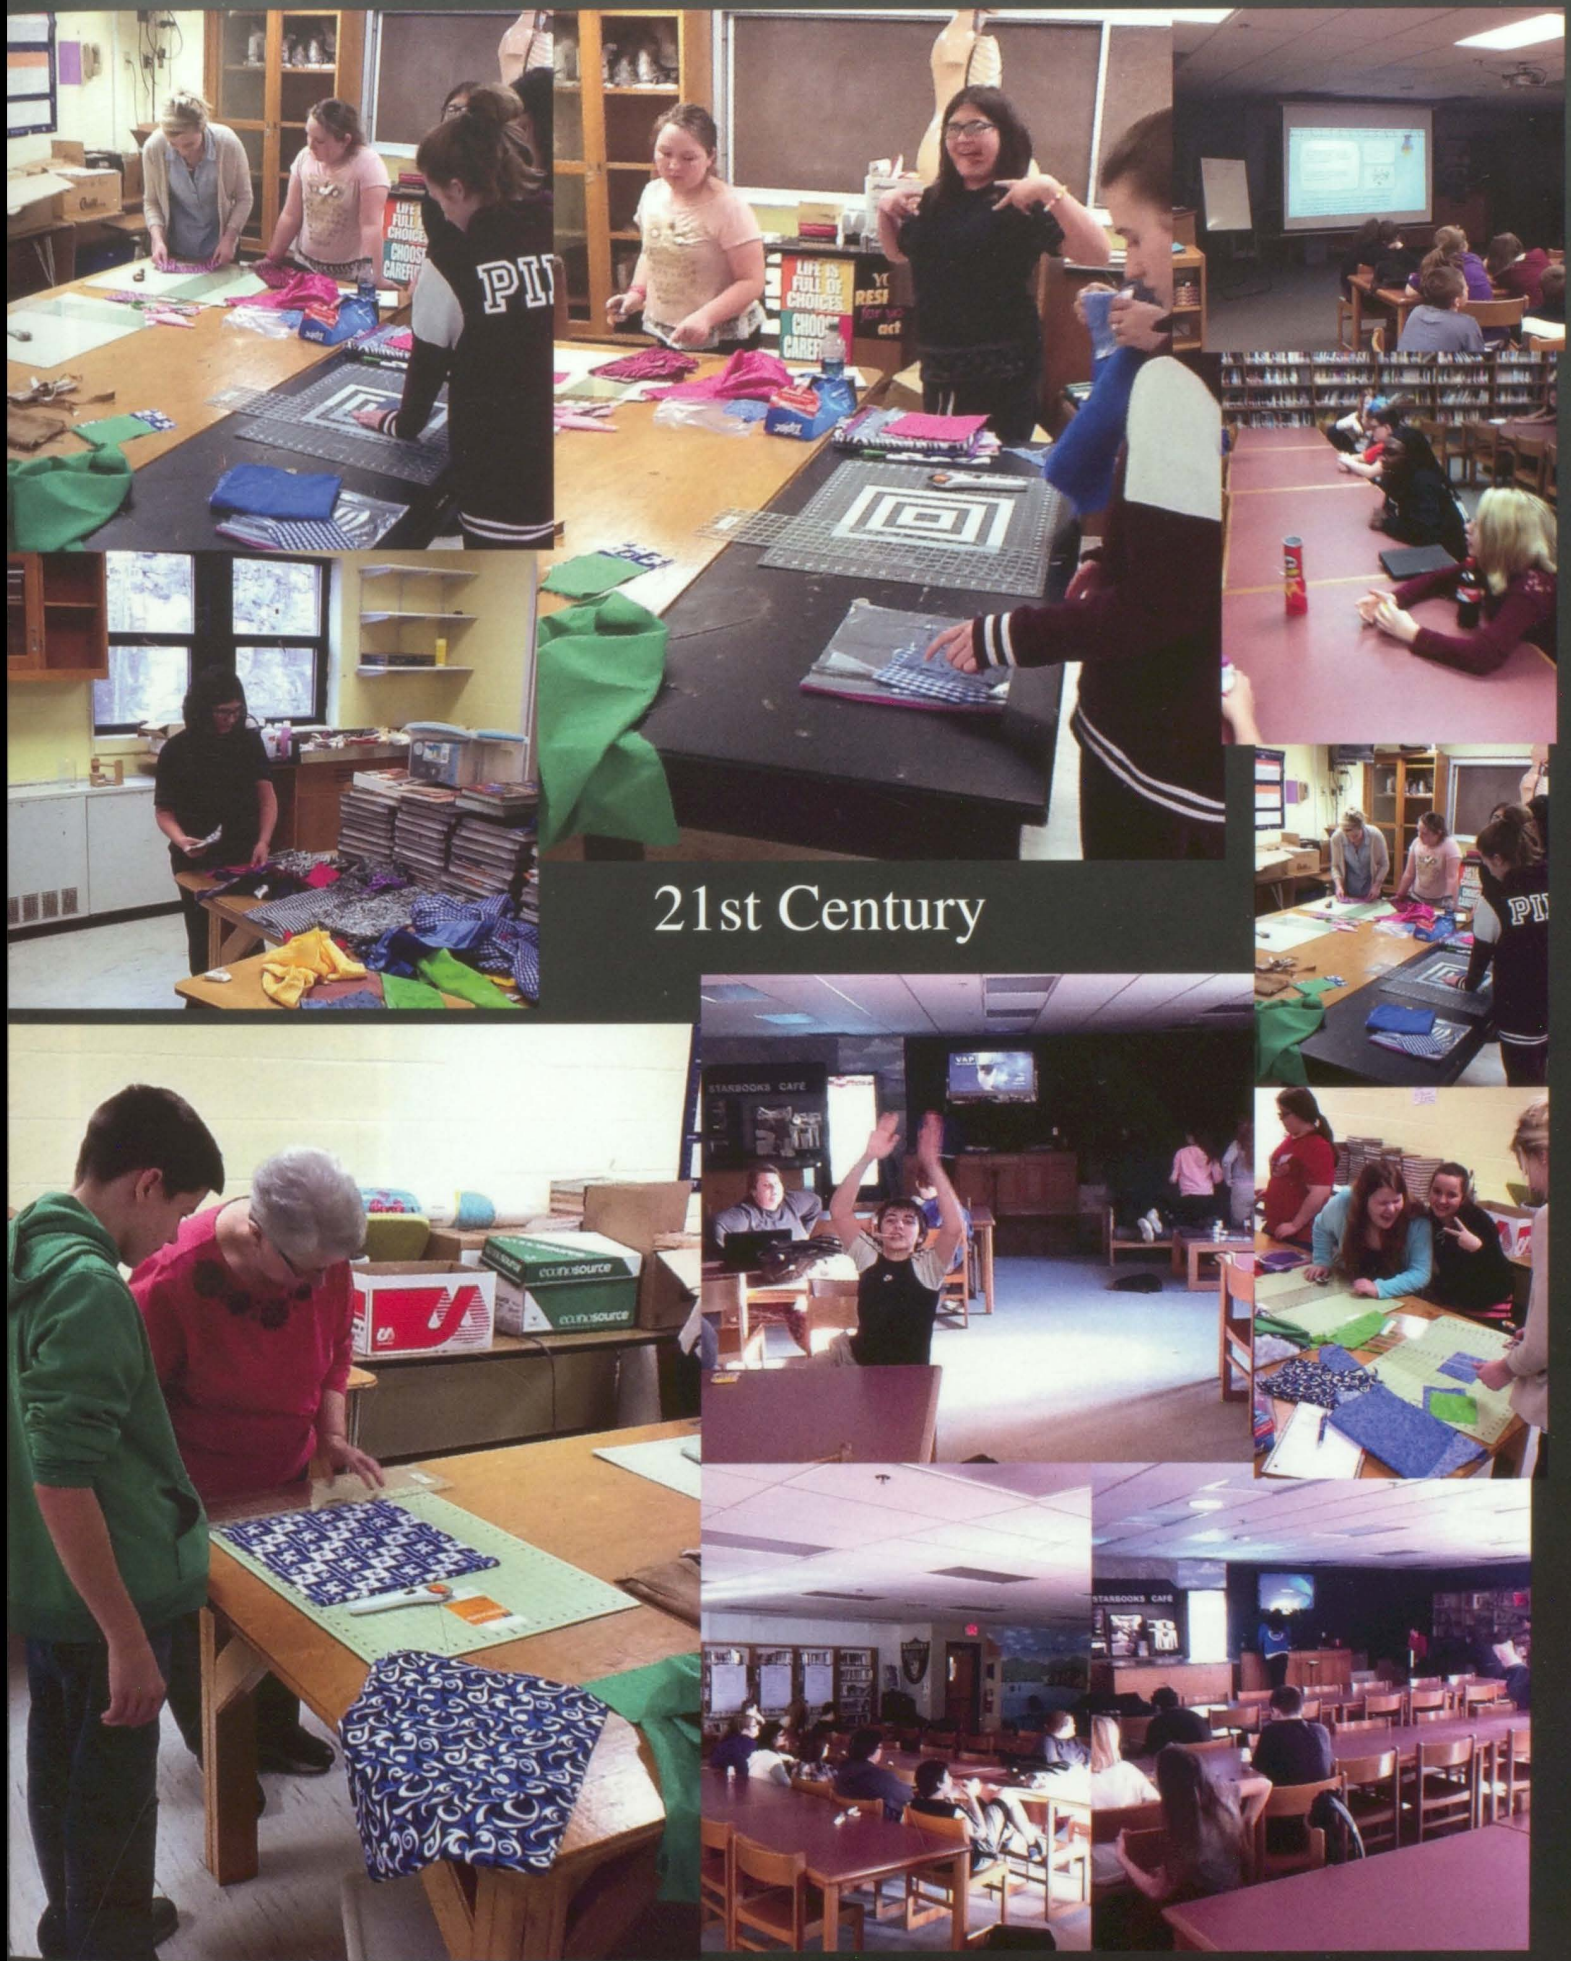

21st Century

In Remembrance of Our Friend
Mrs. Debbie Hall

There's a ship on the ocean at the mercy of the sea
It's been tossed about, lost and broken, wandering aimlessly
And God somehow, you know it's me.
'Cause there's a lighthouse in the harbour
Shining faithfully, pouring it's light out across the water
For this sinking soul to see that someone out there
Still believes in me

On a prayer, in a song,
I hear your voice and it keeps me hangin on
Raining down against the wind, I'm reaching out
Till we reach the circle's end when you come back to me again

There's a moment we all come to
In our own time and our own space
Where all that we've done we can undo
If our heart's in the right place

Garth Brooks
